

Katie Richardson
VP/Administrator and Chief Long Term Care Officer

December 4, 2022

Dear Resident and Resident Representative:

Bergen New Bridge Medical Center remains committed to updating our residents and representatives regularly. In the last 24 hours, one resident and one staff test positive for COVID-19. COVID-19 precautions are in place and further testing will be performed as required. The residents has been appropriated isolated and the staff will not return to work until cleared by a physician. Testing of close contacts has been initiated as needed.

Please do not hesitate to contact me with any questions at 201-967-4013 or via email krichardson@newbridgehealth.org. I continue to encourage all of you to remain safe and healthy, maintain proper hand hygiene and good infection control practices.

Sincerely,

Kathryn Richardson, LNHA
Chief Long Term Care Officer
